

## About dial.gov Project

Project Status: On-going (as on 30-July-2014)

The dial.gov project is multi-channel information (Portal / IVRS) delivery service for the common man. It is a mission critical project started by the Ministry of Communications and Information Technology. The ministry shall provide an one-stop delivery point of structured information on various welfare schemes for common man like Scholarship related, Pensioner related, Farmer related, Women & child related schemes, Sports scheme related, Health Scheme, etc provided by GoI and State Govts. The portal provides information related to various schemes. For availing a service, citizen shall have to apply to the govt. agency concerned.

The URL of the project is:

<http://dial.gov.in>
