National Scholarships Portal is one stop solution for end to end scholarship process right from submission of student application, verification, sanction and disbursal to end beneficiary for **all the scholarships provided by the Government of India.**

## Vision

National Scholarships Portal is one-stop solution through which various services starting from student application, application receipt, processing, sanction and disbursal of various scholarships to Students are enabled.

This initiative aims at providing a Simplified, Mission-oriented, Accountable, Responsive & Transparent '**SMART**' System for faster & effective disposal of Scholarships applications and delivery of funds directly into beneficiaries account without any leakages.

## Mission

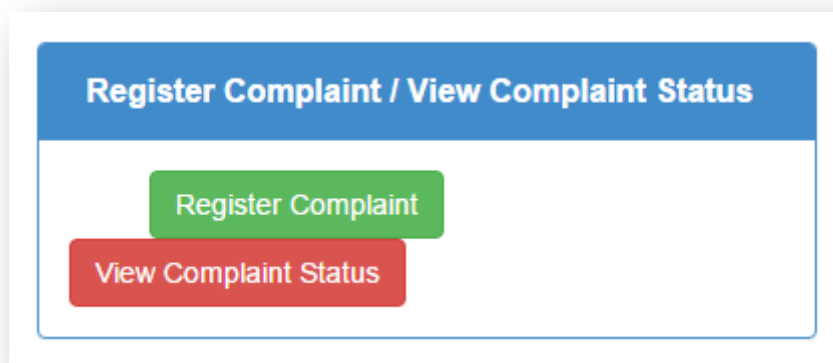

The Mission Mode Project (MMP) of National Scholarships Portal under the National e-Governance Plan aims at providing common electronic portal for implementing various Scholarships schemes launched by Union Government, State Government and Union Territories across the country.

## Objectives

1. Ensure timely disbursement of Scholarships to students
2. Provide a common portal for various Scholarships schemes of Central and State Governments
3. Create a transparent database of scholars
4. Avoid duplication in processing
5. Harmonisation of different Scholarships schemes & norms
6. Application of Direct Benefit Transfer

The Prime Minister inaugurated a unified Scholarship Portal under digital India initiative of DeitY on 1<sup>st</sup> July, 2015 using which students could apply online for the scholarships as per their eligibility which is disbursed by eight (08) ministries of Government of India under twenty (20) schemes. This portal has been designed and developed by Centre of Good Governance (CGG), Hyderabad in consultation with the concerned Ministries under over-all guidance of DeitY PMU.

The portal has list of '**On-boarded Schemes**', along with list of '**Participating Ministries**'. It has Online Complaint Registration System (OCRS) integrated:

The portal is also linked to:
