

NREGA Soft

Government of India through MG National Rural Employment Guarantee Act 2005 aims to provide for enhancement of livelihood security of the households in rural areas of the country by providing at least one hundred days of guaranteed wage employment in every financial year to every household whose adult member volunteers to do unskilled manual work. NREGA soft <http://nrega.nic.in> is a workflow based, transaction level, local language enabled MIS that has been developed for MGNREGA. To facilitate online monitoring and decision making process during the coordination & implementation of NREGA scheme across the country The system provides G2G, G2B, G2C, C2G services through the portal.

It makes available all the documents like Muster Rolls, registration application register, job card/employment register/muster roll issue register, muster roll receipt register which are inaccessible to public otherwise. It has been implemented in more than 34 states/UTs.
